

## Carpet Cleaning Guide

### What do I use to clean...

#### General Spots

**Crystal Spotter®**  
**Product Code: CS-4.1**

Spray onto spot, agitate with Carpet Roamer Spotting tool and vacuum when dry.

#### Interim Cleaning

**Crystal Dry® Extra**  
**Product Code: CDX-2**

Dilute 1 bottle Crystal Dry® Extra with 2 gallons of water, spray onto carpet, and agitate with a Smart Care® machine. Vacuum when dry or at next scheduled vacuum cycle.

#### Coffee, Tea, Wine

**Crystal Red Stain® Plus**  
**Product Code: CRS-5**

Blot to remove as much liquid as possible. Apply Crystal Red Stain® Plus to clean dry cloth, and blot until there is no color transfer. Follow up with Crystal Spotter®.

#### Heavily Soiled Carpet

**Crystal Extract®**  
**Product Code: CEP-3**

Add 1 bottle Crystal Extract® with 1 bottle Crystal Dry® Extra to 2 gallons water, spray onto carpet and agitate with Smart Care® machine. Vacuum once dry or at next scheduled vacuum cycle.

#### Organic Stains such as Urine, Vomit

**Crystal® Odor & Protein**  
**Product Code: COP-6.1**

Remove any solids. Apply directly to spot; allow dwell time for product to remove stain and odor. Follow up with Crystal Spotter®.

#### Stain Prevention

**Crystal® Stain Block**  
**Product Code: CSB-8**

Add 1 bottle of Crystal® Stain Block with interim cleaning solution Crystal Dry Extra®.

#### Paint, Oil Grease, Tar

**Crystal® Oil & Grease**  
**Product Code: COG-7.1**

Remove any solids, and/or excess liquids. Shake well, apply to clean cloth and blot until there is no color transfer. Follow up with Crystal Spotter®.

#### Heavily Soiled Food Service Areas

**Crystal® Oxy Boost**  
**Product Code: COB-9**

Vacuum to remove any debris. Add 1 bottle of Crystal® Oxy Boost to Crystal Dry® Extra or Crystal Extract® solution; follow directions as using Crystal Dry® Extra/Crystal Extract®.

#### Salt Stains from Ice Melt

**Crystal® Salt Remover**  
**Product Code: CSR-10**

Add 1 bottle to two gallons of water, agitate product into stained area and extract if needed.

#### Restorative Cleaning Organic Stains

**Crystal® Quick Restore™**  
**Product Code: CQR-11**

Add 1 bottle of Crystal® Quick Restore™ to 2 gallons of water, spray onto carpet and agitate with a Smart Care® machine. Vacuum when dry or at next scheduled vacuum cycle. For heavily stained areas use double strength.
